

TC200

GRADE 1

GLOBAL DOOR
C O N T R O L S

STANDARD STREAMLINE CLOSER

The TC200 Series is our most versatile closer that provides narrow styling and has a full selection of accessories to accommodate the requirements of any field application. It is recommended for use on aluminum storefront, wooden or hollow metal commercial doors. In this series, we offer fixed spring sizes 2-5. Our TC201ADA model offers adjustable spring power sizes 1-4 for use on interior doors requiring less than 5 lbs. of opening force and exterior doors requiring less than 8.5 lbs. and is ADA compliant. All models will retrofit most full-size closers with a 9 1/16" industry standard hole pattern.
